

## News & Views

Greetings!

We hope your 2020 is off to a strong start. This year marks our 110-year anniversary! Understandably, our team's pride and enthusiasm is at an all time high. More on that in our upcoming e-newsletters.

Our D&J team hit the ground running in the new year. We wrapped up some projects, made significant progress with others, and were fortunate to be awarded a few new ones.

## New Projects

### **Avon High School Performing Arts Center & Cafeteria Avon, Ohio**

As the Construction Manager at-Risk for this project, Dunlop & Johnston, Inc. was awarded the opportunity to enhance the scholastic purpose of Avon High School's Performing Arts Center to best serve the students, faculty, and the Avon community as a whole.

### Norfolk Southern Fuel & Service Facility Bellevue, Ohio

The project consists of an open-air pre-engineered metal building with two dedicated tracks to fuel locomotives prior to leaving the yard. This facility has the capability to fuel six locomotives with ten dedicated fuel cranes and sanding capabilities. Project completion is scheduled for December 2021.

## Completed Projects

### Norfolk Southern Car Shop Administration Building Bellevue, Ohio

This project consisted of a two-story masonry building that was constructed fifteen feet from the service track. Our team was able to work with the Norfolk Southern personnel to safely shut down tracks while erecting exterior masonry walls, setting structural steel, and setting roof trusses. We completed this project in January 2020.

## Case Western Reserve University Thinkbox - Phase 4 Cleveland, Ohio

Our team provided exterior renovations of the east elevation of the Richey Mixon Building, located on the campus of the Case Western Reserve University. The unique building houses Thinkbox, a center for innovation and entrepreneurship for the campus and community of Cleveland. We were contracted in 2017 to completed Phase 2 of the project and again in 2020 to complete Phase 4.

## New D&J Team Member

Brady Thomas joined Dunlop & Johnston, Inc. as a Superintendent. His first assignment is Dunlop & Johnston's recently awarded Rosemore Middle School addition/renovation in Whitehall, Ohio.

Mr. Thomas assumes complete responsibility for the day-to-day operations of his jobsite. While representing Dunlop & Johnston, Inc., he coordinates the company's own workforce with the activities of our subcontractors and suppliers to efficiently complete the work.

With all of the above, Brady is constantly seeking active improvements to the construction means, methods, sequences and procedures to advance quality, safety and schedule as a seasoned veteran of this business.

## Let's discuss your project!

**We're here and ready to go to work for you!**

**Grant M. Raymond**  
Business Development/Project Manager
