KEY FEATURES

The Dunlop & Johnston team was hired as the General Contractor for the Norfolk Southern Car Shop Administration Building project in Bellevue, Ohio. The project consisted of a two-story masonry building that was constructed fifteen feet from the service track. Our team was able to work with the Norfolk Southern personnel to safely shut down tracks while erecting exterior masonry walls, setting structural steel, and setting roof trusses. This project was completed Jan 2020.

There's a reason we've been in business for over 100 years
